The **Great Balkan Ride** will bring together adventure enthusiasts from all over the world in teams in Sarajevo. Once assembled, they embark on a 1,800 km trek across the Balkans in their vehicles of choice, be it a classic Trabant or their brand new Land Rover, finally reaching Thessaloniki, Greece, after 9 eventful days.

The **Travel Scientists'** philosophy is that daring travel adventures are your right, not just a privilege reserved for a wealthy few and we love to enjoy the company of a diverse cast of fellow explorers from the entire spectrum of means, lifestyle and social standing. We devise low-cost solutions specifically to allow anyone with a thirst for adventure to get involved with The Great Balkan Ride and experience this challenging adventure for themselves.
